EXPERIENCED SUNROOM INSTALLER/CARPENTER NEEDED (BUFFALO)

Cortese Construction is looking for an experienced sunroom installer to join our growing team of construction professionals. The ideal candidate will have a minimum of two years' experience as a lead installer of sunrooms, screen rooms, porch covers and awnings. Candidates without sunroom experience should have a minimum of five years in carpentry and must be open to training for this highly specialized field. We are willing to train the right candidate.

CARPENTERS APPRENTICE - This position works with the Betterliving lead installer to complete the installation of sunrooms, patio covers, awnings and other Betterliving products. Some experience in residential construction and a working knowledge of basic power tools is preferred but not required for this position. This is a long term position with the potential for growth. Successful applicants **MUST** have a valid driver's license, reliable transportation for use on job sites, hand and power tools, and pass a physical and drug screen.

All successful candidates must have basic tools, driver's license and reliable transportation. Pay based on experience. You must pass drug screen, background check and have reliable transportation to secure this position. Benefits are available. Only reply by e-mail if you have a complete resume. Interested applicants without resumes can stop by our offices in Depew at 2300 George Urban Boulevard to fill out an application. Applicants that meet our needs will be contacted for interviews. To learn more about our company or the sunroom we install, please visit our website at www.cortese.net.
